Instructions

You probably all know how to play tig (or tag or it, depending where you come from!) An energetic game, just for fun.

In this version everyone playing NEEDS TO WEAR OLD CLOTHES THAT THEY ARE HAPPY TO GET DIRTY! As we need to maintain a 2m distance and avoid physical contact whoever is 'it' can tag people by throwing a small handful of flour at them rather than touching them, if the flour touches them that person is now 'it' and needs to try and get someone else with their flour.

It may be useful to call out the name of the person you are attempting to tag as you fling flour at them, especially if you need to refresh your memory of everyone's names!
