

## Zoom/ Pass the tap

### Age Group

All ages

### Materials

Ask everyone to bring their own hand sanitiser and water bottle  
Groundsheets/tarps for each clan

**Please ensure to follow current coronavirus guidelines as set out in the Roadmap to Reopening document:**

<https://woodcraft.org.uk/covid-19-reopening>

### Session Overview

On arrival groups to sit on separate, distanced groundsheets.

When all have arrived have a quick newsround where everyone can share from their space what they have been up to in the past week/since you last met.

Play a game of [Riverbank](#) or something similar to get everyone energised.

Play zoom/ pass the tap, instructions below.

Sing Link Your Hands Together - only holding hands with those from same household.

### Instructions

You need everyone sitting in a big circle with their hands on the ground at their sides. Choose someone to start. They tap one of their hands on the ground and this shows which direction the tap is going around the circle. The next person taps both hands at the same time and the tap continues around the circle. If someone taps twice the direction of the tap is reversed. On your turn you can also put both hands together, point at anyone in the circle and say Zoom - it is now their turn.

You can add variety by passing a clap, tapping feet on the ground, wiggling your arms like a snake...any action you can think of really! You can also pass noises. It just needs to be obvious which direction you're passing it in.

You will also need to be mindful of anyone in your group with disabilities/mobility problems and adapt the game so that they can be included.
